
```
mu = 5;  
x1_0 = 4;  
x2_0 = 10;  
tsim = 1000;
```

```
sim test2;
```

```
%time = simout.time;  
x1 = x1.data;  
x2 = x2.data;
```

```
figure(1); clf(1);  
plot(x1,x2); grid on;  
xlabel('x1');  
ylabel('x2');
```

Warning: The file containing block diagram 'test2' has been changed on disk since it was loaded. Simulink is unable to reload it automatically because it is the root model. Close it and reopen it manually.
